

Accessibility at Maitri Studio

Here is information we hope will help you to make a decision about whether Maitri Studio will be accessible for you.

We have a ground floor which is accessible through a door with a step. We have a ramp that your teacher can place for you. It is a rise of 5" / 13 cm over 4' / 123cm. The front door is 34" / 86cm wide. You enter a carpeted lobby from which the downstairs toilet and the Sunflower room are accessed. The width of Sunflower room door is 31" / 79cm.

Front door with ramp

Lobby and toilet

Lobby and Sunflower room

A downstairs toilet is also accessed from the lobby, and it has a lino floor. The toilet has safety rails and an accessible flush handle, and there is a lever on the tap. The toilet room dimensions are 48" x 65" or 122 x 165cm. The door is 31" / 79cm wide.

There is a sloped kerb onto the pavement at the corner of The Mount and Albertbridge Rd outside Maitri Studio. There are single yellow lines to restrict parking immediately outside our door, which can be used for drop-off/pick up or parking if you have a blue badge.

There are stairs to the rooms upstairs, with banister rails on both sides. There is no scope to install a lift in the building.

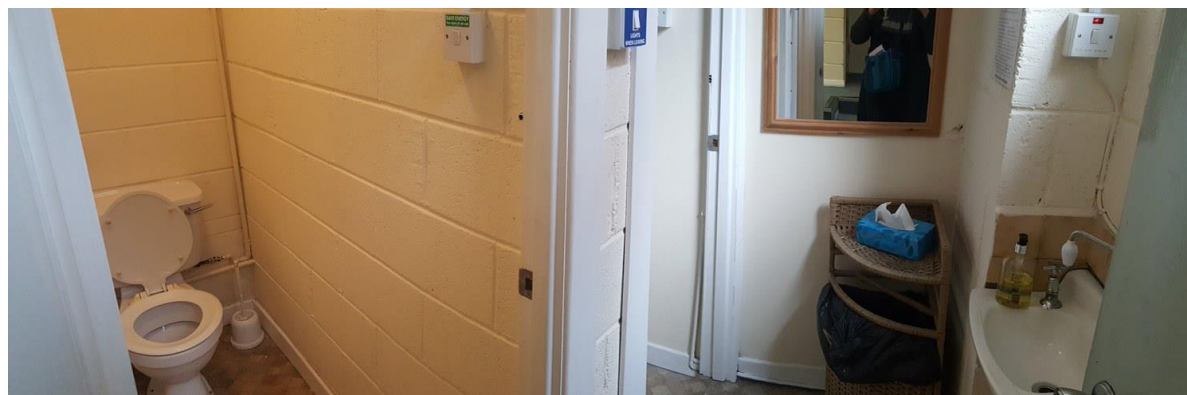

We have firm chairs if you are not able to sit on the floor.

The upstairs toilets are regular ones with no specific accessibility fittings. The rooms upstairs Lily, Maple and Lotus have standard doors 31" / 79cm wide.

The Sunflower room downstairs can be adapted to accommodate complementary therapies or counselling for those who cannot climb the stairs to the Lily treatment/counselling room.
